

Instructors' course of "BLOS" FIGHT AND SAFETY WHEN USING INDIVIDUAL WEAPON

The course follows the programme realised at the departments of national defence (CODE: 8354001).

It includes 70 hours of methodological lectures, practical tutorials and shooting trainings comprising individual short and long firearm. The course ends with a practical exam covering the ability to use individual shooting weapon as well as teaching abilities to conduct a training.

We guarantee that:

- all safety regulations will be fulfilled
- high level of teaching

The course is supervised by the European Federation of KRAV MAGA, which in Poland is represented by the Krav Maga Association - Poland.

Trainings will be led by military instructors under the management of cpt. Włodzimierz Kopec, the creator of the BLOS system and the person in charge of military training course at the Polish Army.

TIME / PLACE

The term training tailored to customer needs.
