THE PRICE OF KRAV-MAGA POLISH SUMMER CAMP

The KRAV MAGA summer camp of self-defense and hand-to-hand combat concentrates not only on various indoor techniques but also proposes a wide range of additional activities, such as outdoor trainings (on the beach, in the woods), squash, badminton, gym, etc. Additionally, participants eager to play paintball will have such a possibility. And after a day full of thrill and physical effort, you may relax in the hot sauna or refresh in the salty sea.

If you do not have time for regular trainings or if you practise on everyday basis and want to sum up a year of hard work – this week-long camp combining sport with entertainment.

WE OFFER:

- Getting fit
- Losing a few unnecessary kilos
- Learning and practising KRAV MAGA techniques
- Well-trained and professional instructors
- Many additional (sports and entertaining) activities
- Trainings at a modern sports Centre
- Accommodation
- And most of all – wonderful holidays, unforgettable experience, great fun and excellent company!

Instructors' exams will take place during the camp. Moreover, participants will receive certificates to prove they completed the camp. The camp is obligatory for the instructors (conducting regular trainings), it provides the prolongation of the instructor's affiliation for the following season (2018/19).
